Leonora

The Leonora dining table is defined by its architectural presence and sculptural base, offering a refined yet strongly modern centerpiece for any dining space. Available in two sizes—240 cm for eight seats or 200 cm for six.

Crafted in oak or rich walnut, the table is available in our full range of stains and finishes. As with all solid wood and natural veneer pieces, subtle variations in grain, texture, and tone are celebrated.

These organic nuances are a testament to the artistry of handcrafted design.
