Odeon Bufett

Odeon is a versatile buffet system combining practical storage with refined simplicity. Available as a full-height buffet or lower two-piece unit, each design can include doors, drawers, or a custom mix, maintaining a consistent, clean-lined profile.

The full-height version provides ample storage for dinnerware and linens, while the lower two-piece configuration suits living room storage or entertainment systems, with the option of a smaller single-piece version. Drawer fronts align flush with doors for a clean appearance.

Customization includes door and drawer layouts, hardware finishes, shelving, and adjustable interiors. Offered in oak and walnut in all signature finishes, Odeon complements any interior with enduring elegance.
