Sèvres

With a focus on quiet precision, the Sèvres Sofa balances pared-down proportions with measured detailing. The clean, architectural silhouette is framed by slim track arms and grounded by an open wood base in solid ash. Feather-wrapped seat cushions provide relaxed comfort while maintaining crisp lines. Offered in three lengths—200 cm, 220 cm, and 240 cm—the Sèvres adapts comfortably across spatial scales. Ideal for interiors that prioritize restraint and clarity of form.
